PASSPORT VALIDITY AND RENEWAL

The Philippine Consulate General encourages Filipinos to regularly check the validity of their passports and ensure that they are renewed well before their expiration dates.

Some countries require passports to be valid for at least six (6) months beyond the date of entry or departure. Travelers are encouraged to verify the passport validity requirements of their destination before making travel arrangements.

To ensure a smooth travel experience, you may wish to renew your passport at least one (1) year before its expiration.

For details regarding passport applications or renewals, please visit the Philippine Consulate General's website at www.sydneypcg.org/passport or send an email to sydney.pcg@dfa.gov.ph.
